TWO CLUBS COMBINE FOR UNITY

The Albany Men's Breakfast Club and the Women's Breakfast Club put aside a twelve-year tradition as friendly rivals recently and have joined forces as one club with the name "The Albany Breakfast Club."

Elected to lead the club in their many activities planned was Jack Patton, president; Kay Fritz, secretary; Florence Taveira, treasurer; Grace Higgins, Joe Villa, Joe Young, Minnie Eakin, Ed Howell and Don Eakin, directors. The initial meeting of the club will be held on March 6 at Jim's Coffee Shop, 930 San Pablo, with breakfast served

Towne House Owner In Hospital After Auto-Train Crash

"Mom's" daughter, Mrs. C. W. Parker, is here from Inglewood, Calif., to be with her mother during her hospitalization.

at 7:15. Tickets are available for one dollar at the Bo-Kay Gift Shop, 1389 Solano, Hollfelder's Jewelry Store, 1131 Solano, and Joe Villa's office, 1108 Solano.

Reorganization of the clubs has been underway for the past two (Continued on Page 5)

Proclamation

By the Mayor
CITY OF ALBANY

WHEREAS, February 8, 1947 is the 37th anniversary of the founding of the Boy Scouts of America which has been chartered by the Congress of the United States, and

WHEREAS, the organization has affected the lives of 13,500,000 American boys and men since its inception and now has an active enrollment of 1,980,000, and WHEREAS, the skills and experiences acquired through Scouting are the greatest influences for building young Americans into self-reliant men and participating citizens, thus making an incalculable contribution to the civic enterprise of this and countless other communities, and

WHEREAS, the Boy Scout Movement is a great factor for the promotion of world peace, and marks this anniversary with the theme "Scouts of the World—Building for Tomorrow," with practical assistance to brother Boy Scouts overseas to rebuild their organizations;

NOW THEREFORE, I, C. F. GRAEBER, Mayor of the City of Albany in the State of California, do hereby proclaim the week of February 7th to 13th as Boy Scout Week in Albany and urge its citizens to recognize the unselfish service of the leaders and do all in their power to help promote this fine program among our youth.

IN TESTIMONY WHEREOF I have hereunto signed my name officially and caused the Seal of the City of Albany to be affixed, this 3rd day of February, 1947.

C. F. GRAEBER,

New Managers For Dwight Cleaners

Jack and Gertrude Stein, residents of Albany for 12 years, have taken over management of the Dwight Cleaners, 2120 Dwight Way, Berkeley. Offering free pick-up and delivery in dry cleaning and laundry, the Steins promise four-day service on cleaning. A special attraction is offered in the "Bachelor Service" on wayward buttons, pocket holes, other mending jobs or alterations.

CARD PARTY

There will be a Valentine luncheon and card party in St. Ambrose Hall, Feb. 14 at 12:30. Tickets are 50 cents and reservations may be made by calling Mrs. Cook, LA. 5-2018.

SCOUT WEEK FEB. 7 - 13

The Boy and Cub Scouts of Albany District will carry out a full week of activities February 7th to 13th in honor of the 37th anniversary of Scouting, said Lloyd Hogan, District Activities Chairman.

Through the courtesy of Wm. Garren, manager of the Albany Theater, all Scouts and their families and friends will have an opportunity to witness the showing of the picture recently received from Warner Bros., entitled "Men of Tomorrow."

Beauty Show for Babies To Be Held Next Week

Beautiful babies of Albany, El Cerrito and Emeryville will vie for honors in a Better Babies Show and Beauty Festival sponsored by the Pocahontas Ramona Council No. 206. Registration will be held Feb. 7 and 8 on the first floor of the J. C. Penny Store in Berkeley, according to an announcement by Mrs. Cloe Moresi, Pocahontas-Ramona Council. The first 50 babies registered will receive prizes from the Pocahontas Council. No charge will be made for registration of babies and parents need not bring the child when registering. The contest is limited to babies up to the age of five years and boys will not compete with girls.

Three judging events will feature the show including a better health program with physical examinations given to each entrant. Blue ribbons and certificates will be awarded all healthy and well developed babies.

Dressed as tiny kings, queens, princes, and princesses, the winners of all classes will be presented their trophies at a colorful coronation ceremony in the auditorium of the Burbank Junior High School at 7:30 p.m., Feb. 12.

Haven Brothers Offer Full Line Of Frozen Foods

The Haven Brothers' Market, 749 San Pablo Ave., is a far cry from the neighborhood stores of old with their pot-bellied stoves and the pickle barrel beside the counter, for with the installation of two new frozen food cabinets, Dwight Haven is pioneering a new trend in food marketing.

"Modern housewives are becoming more and more aware of the many advantages of frozen foods," stated Haven, "I believe the day is not too far off when all meats, vegetables and other foods which can be frozen will replace the standard methods of merchandising. Our aim is to educate the buying public to the quick, easy methods of preparing meals from frozen foods."

Havens seem well on their way towards proving their contention, for the many tempting foods on display at Haven Brothers give ample testimony of the increasing versatility of the frozen food producers.

A full line of frozen delicatessen foods are to be found at Havens as well as a fine stock of fresh vegetables.

'Carnival Night' Now Featured at Griff's Steak House

Every night is Carnival Night at Griff's Steak House, 919 San Pablo Ave. In announcing the new fun program for Friday nights, Louis Griffing, Sr., stated that there would be prizes given away at each Carnival Night party and a free buffet lunch would be served.

George Hildreth, "The King of Pep," Griff's popular master of Ceremonies, will sponsor an amateur show as part of the entertainment on Carnival Nights. Music for dancing is furnished by the popular Maxine, Tommy and Bud Trio. Louis Griffing, Jr., and Carl Bensted serve at the two cocktail lounges.

Maude Wilson Closing Her Alteration Shop

Ten years of service to the ladies of Albany ended this week when Maude Wilson announced the permanent closing of her alteration workshop at 1041 Solano Ave., next to the city hall.

Mrs. Wilson will now devote her full time in caring for her husband, J. Fred Wilson, who recently suffered a stroke. Mr. Wilson's many Albany friends wish him a speedy recovery—thus not to be deprived of the genial "Fred" assisting Olin Douglas at his pharmacy.

Big Charter Dinner Planned By Junior Chamber of Commerce

Members of the Albany Junior Chamber of Commerce met at Cook's Dinners, 1045 San Pablo Ave., on Wednesday, Feb. 5, to put the finishing touches on their charter presentation ceremonies scheduled to take place at the Claremont Hotel, Feb. 24.

Herb Foley, president of the Junior Chamber, presided at the meeting and reported that arrangements have been going ahead very successfully under the committee chairmanship of Don Hatch.

A dinner and an evening of entertainment has been planned for the occasion with presentation of the charter to the newly founded Albany group by a representative of the United States Junior Chamber of Commerce and talks by prominent Northern Californians.

Any local residents desiring to attend the charter dinner are urged to contact Don Hatch.

Congratulations!

A baby girl, Irene Louise Smookler, weight nine pounds and one ounce, is the new addition to the Phil and Mary Smookler family. Mother and daughter are doing nicely at their home in San Ramon Valley.

NOTICE

Mrs. Myrtle McLean, city clerk, has an important message for Navy veterans Lavoy Pritchett and Harry Andrew Tipton. If these men are in Albany, or there is anyone in this city knowing their whereabouts, will they please contact Mrs. McLean at the City Hall.

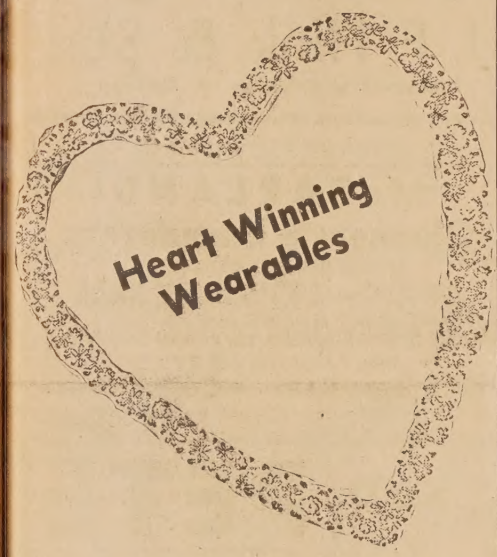

4 P.T.A. Groups Meeting to Honor Golden Jubilee

School Plans Units

constructed at the Albany High School. Provision for these two units was made a part of the recent \$25,000 bond issue.

Superintendent Bryan was authorized to proceed with the necessary steps in purchasing equipment for the chemistry laboratory, and the school architects, Dragon, Schmidts and Hardman, were authorized to complete the plans for the proposed new cooking room. This room, when completed, will have seven complete unit kitchens, each designed to care for four students. Both the chemistry room and cooking room are to be provided by making alterations and changes in the present room scheme at the Albany High School. Neither unit will require any new construction.

The Board of Education at the same meeting voted to table for one year the subject of constructing bleachers at Memorial Park.

The subject of the School Department authorizing and paying for the construction of bleachers to care primarily for attendance at football games in the city-owned Memorial Park has created considerable interest in the community.

est, community problems and city-wide achievements will be the keynote of programs planned. Outstanding speakers on civic affairs will be presented at meetings with an opportunity for round table discussion after the talks.

Take a Safety Expert's word for it

**GET THE NEW B.F. GOODRICH
SILVERTOWN AND KNOW YOU'RE SAFE!**

The new B.F. Goodrich Silvertown has been tested by experts! By experts like Col. A. R. Killiam (shown here), Superintendent of Indiana State Police, who helped put the tire through miles of carefully recorded road tests. Millions of miles of tests proved the super-safe construction of the new B.F. Goodrich tire.

Come in and see us today for the tire that OUTWEARS PREWAR TIRES!

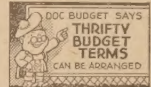

"Outwears Prewar Tires!" Those magic words have made the new B.F. Goodrich Silvertown tire the most wanted tire on the market—because those words state an honest fact conclusively proven by millions of miles of carefully recorded tests and millions more miles of consumer driving!

What does the new B.F. Goodrich tire have? It has B.F. Goodrich's own "road level" tread to give you more rubber to share the wear... more tread to stop on... more traction to hug the curves. It has tougher cords and more of 'em to give it a far stronger body.

Even at high speeds, the new Silvertown OUTWEARS PREWAR TIRES.
